Heather Ann Havenwood, CEO of Havenwood Worldwide, LLC and Chief Sexy Boss, is a serial entrepreneur and is regarded as a top authority on internet marketing, business strategies and marketing. Since marketing her first online business in 1999, bringing together clients and personal coaches, she has played an active role in the online marketing world since before most even had a home computer.

In 2006 she started, developed and grew an online information marketing publishing company from ground zero to over \$1 million in sales in less than 12 months. Starting without a list, a product, a name or an offer, Heather Ann molded her client into a successful guru now known as an expert in his field.
